Holland designers Mr. and Mrs. Hemel introduced folding lines to reform traditional straight building, thereby presenting the world renowned Canton Tower in Guangzhou. Inspired by the beauty and possibilities brought by folding lines, you can see application of folding lines in all Jane sofa series including screens and armrests. S322, S633, S622 series in Jane collection help create flexible and stylish office spaces.

## S322 Sofa Series, Sofa with Waistline Screen

S322 sofa is designed with optional screens with an inward folding line design like a skirt edge. It can offer both privacy and access to the outside. 1400mm-high screen has warm cloth fabric and snap joint connection. The sofa unit can be connected freely like tetris blocks. The relaxed environment enables individuals to display their talents freely and feel a sense of achievement.

In the warm sunlight of spring, team members sit on the sofa with waistline screen providing privacy and discuss the "Fashion Show" topic. With this sofa combination formed by modular sofa units, they can stand or sit face to face or back to back, with one of them sitting cross the corner to record every creative idea. Moment like this is a highlight in collaborative working.

## Small Size with Great Wisdom

S322 sofa series includes corner unit, fanshaped unit, and square and round footrests. You can flexibly combine these units to maximize space utilization. German OKE hardware accessories are adopted to ensure long life and artistic appearance of sofa. Quality is seen in every detail.

**Right-angle Single-seated Sofa Unit**

Right-angle cutting technique is adopted, and the seat depth is widened. Combination is flexible to fit in all spaces.

**Corner Single-seated Sofa Unit**

Necessary in 90° turning corners of each sofa combination.

### S-shaped Free Combination

Perfect for creative and planning staff to have brainstorming activities. Conversation here is free and creative.

### O-Shaped Combination for Concentration

Administrative and financial staff may gather here to prioritize processes to proceed the meeting.

### Ideal Garden for Hearty Communication

The fanshaped sofa combination is gentle and warm. The molded cotton provides comfort and enhances a stereo visual sense, endowing the space with energy. Bright color matches are highlights to lighten your mood, further combined with fabric and leather upholstery, endowing each space with unique personality.

In a sunny summer afternoon, you may sit on the sofa to enjoy warm sunshine or invite friends to an afternoon tea. What a beautiful day!

# S633

## <> -shaped Sofa, A Warm Hug

Enjoy a leisure talking with coffee, flowers, and an attractive topic, what else? A comfortable sofa. S633 sofa has an outward armrest design that looks like a <> symbol. The material of the inner frame adopts northeast larch and Chinese mortise and is crafted by using a tenon structure, stable and firm. The soft cushion ensures comfortable sitting experience. Jumping color matches are perfect for showing off different space characteristics.

## Fashion and Luxury within Conciseness

The outward line design of armrests is like a broad arm that embraces you. Soft cloth fabric matches with shiny metal feet to present minimalism. The stitch lines are neatly embedded, and decorative edge strips are used as a visual highlight.

### Stylish Match of Fabric and Leather

The softness of cloth fabric matches with the fine touch of leather to give you both experience. The double stitches in the splicing line are seamlessly spliced to give a smooth touch, presenting the integration of classic and modernity.

In an autumn afternoon, the street covered with maple leaves is peaceful and quiet. This is the best time for inviting friends to have a sofa forum for project promotion.

# S622 Atmospheric Infolding-shaped Business Sofa

S622 sofa series accompanies you to each success. The armrest and the base form a 142° angle which provides more space for sitting. The folding line further echoes with the upright outer shape of the sofa. The armrest expands upwardly like arms embracing the sky, endowing the space with open and welcoming temperament.

### Leather and Fabric, Free Choices

Three types of leather material,  
smooth, warm, and air-permeable;  
Three types of fabric material,  
clear and fine texture for infinite comfort.

## Concise lines

Concise lines outline a calm and dignified temperament,  
which shows the identity of leaders.

## Brilliant as diamond.

Folding lines expanded from straight structure is full of vitality and motion. The stereo space is created with each side brilliant as diamond.

### Upright Section with Exquisite Stitch Lines

The cutting ratio is highly precise to eliminate errors to present a majestic temperament. Six wear-resistant stitching threads with high strength are sewed 6 stitches with 7 holes per inch with a 3mm-wide edge stitching, ensuring craftsmanship in every detail.

Warm welcome to the guests is the first step of success.
