Resonate with light and shadow

||

The diversified colors presented in the four seasons together with the elusive lights and shadows bring a fascinating world into being. Also, the participation of air, water, and nutrients play a significant role in the formation of a complete ecosphere.

When was the last time you appreciate the blossom of flowers, the chirping of birds, the rustling of wind, the tittering of rain and the swirling of snowflakes? It is beautiful scenes of thriving vitality that make us fully aware that we are living on this earth, alive and kicking. Surrounded by such a beautiful scenery, you can take a break from the hustle and bustle of the metropolitan lives and enjoy a moment of relaxation.

Magna - talk with light, frolic with shadow and resonate with color. It injects a slew of vigor into spaces and cuddles you with natural freshness.

Magna - Genki Forest Chair

||

**Warm in winter and
cool in summer**

Configured with fluffy back cushions and seat cushions to satisfy different needs; Bring you a cool and airy feeling in summer and a soft and warm feeling in winter.

Each season has its own color

Black, green, orange, and white...the natural color tune of Magna brings four seasons into rooms. A rich of colors add new dimensions to spaces and constitute a chic aura. Working in this space, you'll get refreshed immediately.

Bionics is ingeniously applied in the design of Magna. The eye-catching legs imitate the claws of birds and display a slim outlook, making the chair stackable and easy to move with. The elegant curves neutralize the stiffness of spaces, bring visual lightness to any environment and help to create a cozy and casual atmosphere. Besides, the excellent performance of Magna is BIFMA-certified.

Magna is as pleasing to look at as it is to sit in. The back and seat are one-piece molded using eco-friendly PP+GF materials, exemplifying our pursuit for sustainability. The smooth and fluent S line fits the curve of the backbone and gives strong support for your lumbar and back, thus helps to relieve the fatigue caused by a sedentary lifestyle.

Orange as maples in the autumn.

|| White as snow

The warm white highlights the purity of this room. No matter you want to savor a cup of coffee or have a rest, PA casters give you distraction-proof tranquility; The height of stools can be adjusted based on the height of users and tables.

Expressive yet restrained, minimal yet compelling. Magna multi-functional chair pursues the integration of functionality and simplicity. Available in star bases, sled bases, four legs, stools as well as a palette of fresh, lively colors, it permits a wide range of arrangements and offers boundless flexibility.

Magna is beautiful as it is useful. The minimalist-style hollow-out design allows the body to breathe, so moisture and heat dissipate, and the body remains cool. The stool configuration adds visual lightness and fuses comfort and elegance to any environment. All lines are precisely defined to create a harmonious whole. Magna perfectly accommodates meeting, training, and leisure spaces and can be used in coffee bars, departure lounges, cafeterias, and even homes.
