MDECOR

Sunón

Two tables piecing together for cooperative training

U-shaped arrangement for core training

Linear arrangement for professional training

Arc-shaped arrangement for massive training

Come and Go at Your Will, Suitable for Interactive Learning

Begin your training with the Mdecor system, and motivate yourself to become a fast learner in heated discussion. You could pull the table over, or go towards the group and join them. The castors are flexible in height within the range of 5mm to maintain table stability. Suitable for groups of four to eight members, Mdecor is a smart choice for small-space training.

**One of a Kind, Linear Arrangement
for Professional Training**

Desktop with wood grain is available for choice to build a space of warmth and care
and a space for efficient learning.

Dual-color Banding Technique with Touching Hook Details

The perfect match of warm white and mocha color and seamless banding carries beauty into details. It is equipped with a hook rather than a table pocket, freeing your legs with larger space. With a height of 66cm, the desk is perfect for hanging your bag and umbrella.

U-shape Ensures High Concentration

Be undistracted, and follow the lecturer to explore the vast sea of knowledge.

For Sitting Still and for Moving Around, Its Arc Shape triggers Your Learning Enthusiasm

The castor can be locked, offering you your own learning space in a crowded conference.

Easy to Stack, More Space for Sharing

It could be moved around flexibly to meet the needs for space of different meetings.

The innovative design of the foldable desktop with a switch in the middle edge allows you to turn it by 90° using only one hand. The modesty panel moves with the desktop to maintain its all-time beauty. Mdecor could be stacked tightly in straight lines to save more space.

Neatness is everywhere

Two types of functional white boards with or without a cabinet, designed with a concealed slot on the bottom edge for hanging a pencil box, in which eraser tools and pens are well placed. 185.5 cm high, suitable for people of various heights to write on.

Neat storage is highly required in learning space. L-shaped mobile cabinet that can be sit on includes one drawer and three chests: an experienced organizer at your service.
